## REGISTRATION FORM FOR ADULT CHILDREN OF MEMBERS

**[PLEASE COMPLETE AND RETURN THIS FORM TO THE HOKOTEHI OFFICE ADDRESS BELOW]**

In 2012 Hokotehi amended the procedures for registration of adult children (ie 18 years and older) of a registered member of the Trust. Previous procedures required adult children of members to contact the Trust and fill in new forms for consideration by the Trust's Hokopapa Unit. The **new procedures** acknowledge that children of registered members have an automatic entitlement to be voting members once they turn 18 years of age by virtue of their parents previously confirmed hokopapa and therefore their adult children do not need to go through a second approval process. **However, to enable you to vote we need you to complete this form and send it back to the office so we have an address to send the voting forms to and to give you a member registration number.**

*This form needs to be returned to the office regardless of which box you select below. Thank you.*
